

## LUMINAIRE SPECIFICATION

|              |                                 |
|--------------|---------------------------------|
| Product Name | LED Round Sunk Inground Uplight |
|--------------|---------------------------------|

| Source Data          |                                  | Light Fittings Data   |                                                                                    |
|----------------------|----------------------------------|-----------------------|------------------------------------------------------------------------------------|
| Source Type :        | LED                              | Housing:              | clear tempered glass + top 304 SS cover + aluminum body + plastic box + honey comb |
| Lamp Load :          | 6W                               | Control Way:          | On-Off                                                                             |
| LED Chip:            | CREE SMD                         | IPRating:             | IP67                                                                               |
| Chip Qty             | 3 pcs                            | Size:                 | D130*H95mm                                                                         |
| Input Voltage:       | AC 220-240V,60Hz                 | Ambient temperature : | -25°C~ +60°C                                                                       |
| Beam Angle:          | 15°/30°/60°/10*30°/10*60°        | Lamp Life:            | 50,000 Hrs                                                                         |
| Color:               | 2700K/3000K/ 4000K /5600K/ 6000K | PCB:                  | Excellent heat conductivity<br>aluminum coefficient of heat conductivity ≥ 2.0w/mk |
| Colorrenderingi(Ra): | >80                              | Warranty:             | 3 Years                                                                            |
| Lumen:               | 480lm                            |                       |                                                                                    |
| IK rating:           | IK09                             |                       |                                                                                    |
